I am really impressed and appreciative of Johannes for his help in obtaining our Permanent Visas (family and I). Under his guidance, advice, and support, we completed all the requirements/documentation/substantiation in good time and we were able to collect the required Quality and Quantity of evidence to present our case to immigration. We were surprised and delighted that the Permanent visas the immigration department's decision-making was completed in a fraction of the stated timeframe. I attribute that to the professionalism and expert advice/guidance provided by Johannes.
