

Sunny van Angelsen

Consultant - People,
Culture & Performance at
Executive Consulting
Group Australia

October 24, 2016, Sunny was a
client of Johannes'

Johannes has been a great asset in my journey to obtain my visa for Australia. He's always on top of everything, walks you through every step, knows exactly what needs to happen next, meets every deadline and I've always felt in great hands and well looked after. My visa has now come through and I couldn't be more grateful for his assistance. Thank you! [See less](#)
